

The following terms and conditions apply to using the West Gippsland Libraries Foster outside its normal opening hours. These conditions are to ensure the safety and security of everyone using the library.

The applicant is required to use all West Gippsland Libraries (WGL) facilities in accordance with the following terms and conditions. WGL reserve the right to refuse or accept any or all applications and may disregard any requests not made within the terms of this agreement.

Our Child Safety Commitment

The West Gippsland Libraries is committed to the safety and wellbeing of all children and young people.

Your Responsibilities

1. Regular library membership regulations and customer behaviour guidelines apply at all times.
2. The key tag remains the property of WGL at all times and must be returned if requested. You must immediately report a lost or stolen tag to WGL as soon as you become aware of the missing tag.
3. Upon approval of 24 hour access and completion of a building and safety induction, your key tag will be activated and ready to use. If you have trouble using your key tag, please consult a staff member during standard opening hours or send your enquiry to facilities@wgrlc.vic.gov.au
4. The applicant is responsible for the use of the key tag issued including unauthorised use by other parties. Misuse of the key tag will result in your 24 hour access membership being cancelled and the loss of the joining fee.
5. A family membership is for one (1) adult only. A second parent/guardian may join on a second family membership and pay the \$30 fee. The child/ren may be listed on both applications and attend with either parent/guardian provided the accompanying adult is the 24 Hour member.
6. The key tag is for your use only and the family members listed on this application. You must not share the tag with any other person.
7. Under no circumstances are children to be left unattended in the library. Children must be under direct supervision of a parent or legal guardian at all times. Children under 18 are not permitted in the library using after-hours access, without adult supervision.
8. Tail gating will not be tolerated. At no time are you to allow others in the library using your access tag (other than your direct family members listed on this application). All others entering the library must have their own 24 hour access tag.
9. WGL Foster is under 24/7 CCTV surveillance. Please be aware that you will be recorded when accessing the library. Respect other patrons who may be in the library at all times.
10. You must respect WGL and its collections at all times. The library must be left clean, neat and tidy. Do not leave food wrappers or drink containers throughout the library.
11. Returning Items – please return via the outside returns shute. Do not leave items on the desk for staff.
12. Borrowing Items – any items you wish to take home, must be borrowed through the self-check system.

13. If the self-loans kiosk is not operating, a paper based system will be available for you to record your library membership and item barcodes for entering by library staff at a later time.
14. Alcohol and smoking is not permitted in any WGL buildings and smoking is not permitted within 10 metres of the main entrance.
15. When accessing the library outside normal opening hours, your tag must be swiped to gain entry and again when leaving the building. This is for your safety and security, as well as ours. Do not exit the building without swiping your key tag, even if someone is leaving a head of you. All tags must be swiped upon entry and exit.
16. Do not hold the door open to allow others in, even if they have their own key tag. They must also swipe to enter and exit the building during after hours access.
17. If you are in the building when the library closes to non-members and the staff member is leaving, you are required to leave the building and re-enter using your key tag. This is to ensure your membership is registered as being on the premises.
18. Emergency procedures and floor plans are posted throughout the library. Please take notice of where your nearest emergency exit route will be.
19. **Exit door** – if the door does not open and allow you to exit when swiping your tag, press the **red** exit button located near the main door. **Warning** – this action will temporarily suspend your tag membership. Please visit the library during normal opening hours to have your tag reactivated.
20. **EMERGENCY EXIT** – in the case of emergency, press the **BREAK GLASS** button at either door. **Warning** – the alarm will sound and security will be notified. Use this in emergency situations only.
21. Do not enter the building if you feel unsafe. Be aware of your own personal safety at all times.
