GENERAL CARE OF SKATEBOARD AND PROTECTIVE EQUIPMENT

The borrower must be made aware of the following conditions:

- Helmet and wrist guards are included in the skateboard loan (unless borrower chooses to provide their own helmet and/or wrist guards;
- **Do not** leave the skateboard in a hot car for extended periods;
- Brush off or wash any dirt off **before** returning the skateboard;
- Alert staff to **any** damage incurred or issues found with the skateboard;
- The borrower is responsible for the skateboard and protective equipment in their possession;
- The borrower may be asked to pay for any repairs deemed excessive and not considered usual "wear and tear", including replacement of equipment (if required);

PRE-LOAN CONDITION REPORT: Draw any existing damage or marks on skateboard (front and back);

1. Is the helmet in good repair with no obvious defects that may affect safety?
2. Are the wrist guards in good repair and both available?
3. Does the skateboard have any noticeable damage or defects that may make the board unsafe?
