

Going to the Library

Soon, we can go to the library.

**The library is a place where I can
look at books.**

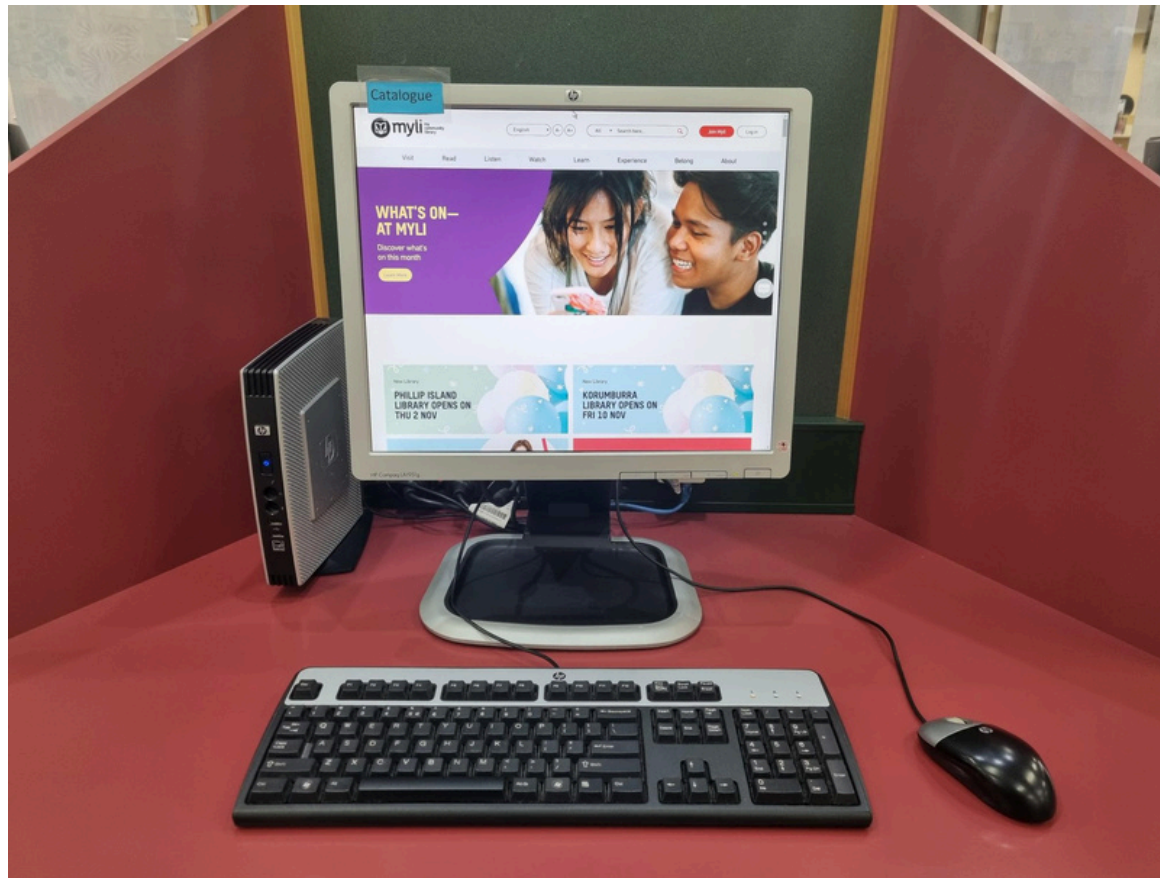

A library may also have magazines, dvds, and music CDs.

**In the library, people are reading quietly.
I will try to use my quiet voice
when I talk at the library.**

**A librarian works at the library.
They can help me find books.**

To find a book, we can type the title on the catalogue computer. The computer will tell us where the book is.

We can also look for books on the bookshelves.

When I find a book I want, I take it to the desk, where someone will help me check it out.

I can use the self-checkout machine instead, if I would like to.

I need to show my library card to check-out, or borrow, the book.

I get to take the book home for a few weeks. Then, I bring it back to the library for other people to have a turn.

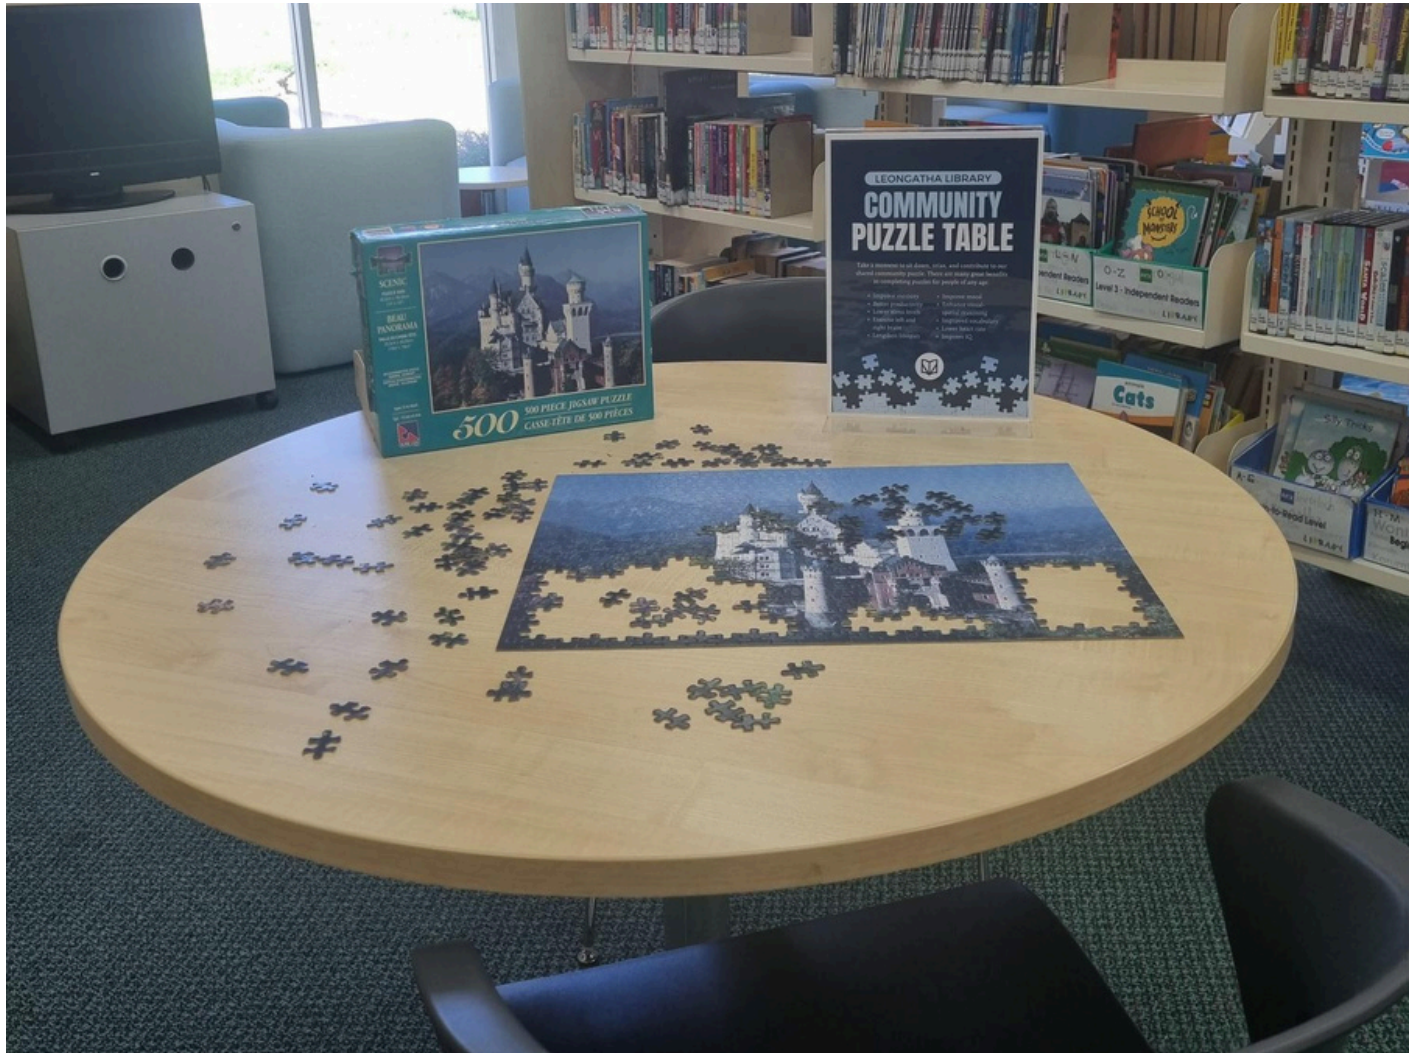

On Thursday mornings, there is Story Time and Baby Rhyme Time at the library.

**There are many other things to do
at the library.**

I can read books or magazines.

I can do a puzzle.

I can play with Duplo or LEGO blocks.

I can draw and colour in pictures.

I can ask the librarian for help to find these things.

There is also a bathroom at the library if I need to use the toilet.

Soon, we can go to the library.
