GENERAL CARE OF SURFBOARDS AND STAND UP PADDLE BOARDS (SUPS)

The borrower must be made aware of the following conditions:

- **Do not** leave the surfboard or SUP in a hot car for extended periods;
- All boards **must** be stored upside down when not in use (ie. fin pointing upwards);
- Rinse or brush sand off **before** returning the board;
- Alert staff to **any** damage incurred or issues found with the board, leg straps or SUP paddle;
- The borrower is responsible for the surfboard or SUP in their possession;
- The borrower may be asked to pay for any repairs deemed excessive and not considered usual "wear and tear", including replacement of equipment (if required).

PRE-LOAN CONDITION REPORT: Draw any existing damage or marks on board (front and back);

1. Is leg strap in good condition and attached securely?
2. Are fins in good repair?
3. Is the paddle in good repair (SUP only)?
4. Does the board have any noticeable cracks or defects that may make the board unstable?
